*If your dental claim is paid by the insurance carrier, they incur a loss which reduces their profits.
Eliminate the middleman and purchase directly! (Food for thought -- most dental-related accidents are generally covered by medical or auto insurance, not a general dental plan.)*

**The Usual Customary and Reasonable Fee (UCR Fee) as established by the National Dental Advisory Service is the average cost within the state of Arizona. Some fees may vary by location. Our prices are not guaranteed, and are subject to adjust based on the Doctor's findings during your specific visit.*
